THE BIG WAR HISTORY

HONOR ROLL

____ OF ____

STORY COUNTY

This work which is now being rapidly compiled by the workers who gathered the information presented in the Victory Holiday Edition of the Representative and which is part of it in condensed form, will contain a full and complete review of the activities of the county in the World War just closing.

It will have the name, history, picture and record of each and every soldier and sailor in the county, no matter where or how they served, the same information regarding the Y. M. C. A. workers, the Red Cross nurses, and in fact everyone who served under the colors.

There will also be a review of the work of Story County Draft Board, the County Council of Defense, and all other war activities, including the Liberty Loans and other patriotic drives. In fact it will give in compact form a story of all the activities of the community from the time of the declaration of war till the signing of the Peace terms.

The completed work will contain in the neighborhood of seven hundred and fifty pages, be bound in cloth board binding and will sell for about three dollars.

Work on it is progressing rapidly and it will be issued as soon as possible after the completion of the records.
